Thanks, Steve, and happy new year to you, too. I will forward the written assessment on to Nina. Enjoy the holiday.

Subject: NOAA/EPA "interim assessment" letter under Oregon CZARA settlement agreement

Paul and Allison,

Attached for your information is the "Initial Written Assessment" prepared and sent by EPA/NOAA to Oregon DEQ regarding the status of the State's actions on the pathway to approval/disapproval of the Coastal Nonpoint Source program. This document is described in paragraph 5 of the Settlement Agreement.

(See attached file: CZARA Initial Written Assessment.pdf)

We are sending this in .pdf for your convenience. Per paragraphs 5 and 10, we will be mailing hard copies to each of you (unless you indicate that doing so would be unnecessary), as well as to Nina. Unfortunately, there is not a secretary in the office today, so this will be going out later this week.

We don't have Nina's email handy, so could you please forward this to her as well?

Thank you and Happy New Year!

Steve
